

Cool Skin

100% Human Hair

A durable ventilated poly skin foundation front to back that creates a visually undetectable and natural scalp effect. The clear poly base allows easy reduction to any size or shape and moulds to most head shapes.

The front hairline has a 6mm scalloped front edge creating a natural hairline and has been reduced very slightly on this MKIII version to offer an even realistic hairline. Micro ventilation holes throughout the base for breathability.

This versatile FREESTYLE system allows you total freedom of hair styling and of the base customisation.
