

Euro Lace

100% Human Hair

Full monofilament lace base, invisible lace with bleached knots at the front hairline on darker shades for a totally invisible front.

This base is reducible to many different head sizes, freestyle hair direction allowing multi styling possibilities, a truly all round versatile base.

- Approx Size:** 7 1/2" x 10" (REDUCIBLE TO ANY SIZE)
- Hair Type:** 100% human hair for excellent feel and condition.
Note: Grey is in synthetic fibre allowing the re-colouring of the hairpiece whilst retaining the grey hair.
- Hair Length:** 6 1/2" - 7"
- Density:** The light-medium / medium (90% - 115%) even density throughout this system provides you with superb results with minimal alteration.
- Wave Pattern:** 25 - 32mm (Slight wave)
- Hair Knotting:** Freestyle single split knots.
- Fixing Methods:** We recommend the use of any blue lace support tape. ACHT33R, Mity Tight or Ultra Hold for fixing and our AC038L removing fluid to release the tape. Micro comb loc clips (AC017BR) can also be stitched to the edge of the base for an alternative method of fixing at the sides and back of the piece if required.
- Units per year:** Suggested Three
