Fringe – Synthetic Fibre

Our easily attached fringes are the ideal accessory for Hats, Turbans and Scarves. Velcro adhesive strips tightly secures the fringe in place. Fringe length is approximately 4" and can be trimmed if required to the desired length.

Headwear sold separately

Accessories & After Care

Our superb range of luxurious hair care products have been specially formulated for our synthetic wigs.

Refresh shampoo gently deep cleans the fibres with beautiful results.

Revive conditioning spray help protect the fibre from tangling, deodorise and adds lustre.

Control shape spray may be used to finger style the fibres adding texture, shape and lift where needed.

All these will help extend the life of your wig.

Wig Care Pack

Revive conditioning spray ~ 250ml

Control shape spray ~ 250ml

Refresh shampoo ~ 250ml

Wig liner polyester ~ (twin pack)

Drying stand

Styling brush

Wig Liner Bamboo

Provides a soft comfortable feel between the wig base and your scalp, helping alleviate skin irritation and keeping your scalp cool and dry. Material: 95% Bamboo / 5% Lycra.

Wig Liner Polyester

Increases wig comfort, security and hygiene. (Twin pack) Material: 100% Polyester.

Polystyrene Head

Used for dressing out and styling wigs.

Styling Brush

Silicone tips prevent damage to the fibres.

Wig Tape

Medical quality daily wear wig tape. Large roll: 25mm x 25mt ~ Small roll: 25mm x 5mt

Polyurethane Patch

Patches carefully sewn inside the base of some wigs, (shiny side out) for areas that require extra fixing of wig tape.

Drying Stand

This collapsible drying stand allows natural drying of your wig and its base material without stretching. A strong rigid frame with top grip section preventing slipping of the wig.
